Efficient Scheduling

Convenient **online scheduling**. When both parties use B&A, you can see all depositions scheduled in the case.

Schedule and reschedule with ease. No calls. No emails. Just click and go.

1

Continuity & Accuracy

Our experienced B&A reporters ensure **continuity** throughout the case, leading to more **accurate transcripts** due to their familiarity with the terminology and proceedings.

Exhibit Management

B&A maintains a **repository** of case exhibits, eliminating the need for your office to send previous exhibits.

Upon request, B&A can provide hard copy **exhibit binders** of all case exhibits.

3

Hyperlinked Transcripts

When ordered with scanned exhibits, B&A transcripts come with **hyperlinked exhibits**.

Easily navigate from the transcript to relevant exhibits, enhancing clarity and understanding.

Fast Turnaround

B&A offers standard delivery in just **five business days**.

You won't be kept waiting for an essential deposition. And you save on expedite fees compared to the typical 10-day delivery.

5

Flexible Service

Need immediate rough transcripts? Expedited delivery? Same-day exhibit scanning? Virtual and hybrid proceedings? Exhibit techs?

Just let us know, and we will gladly accommodate your requests.

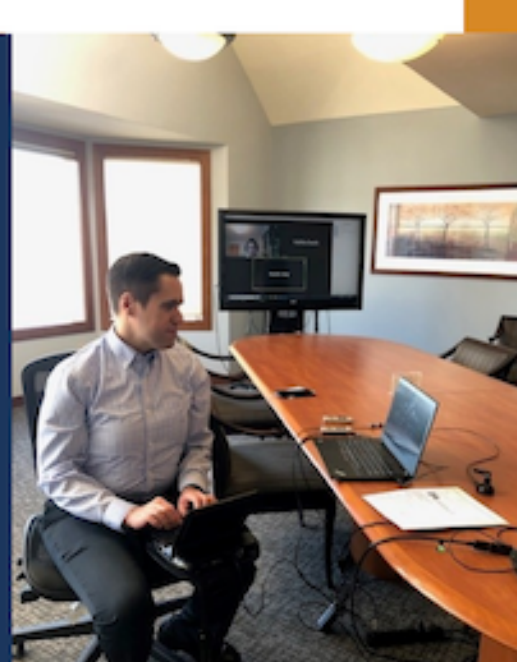

Transparent Billing

With B&A, there are **no hidden fees** or unexpected charges.

Our **fully itemized invoices** ensure transparency throughout the process.
